## **DIVERSITY, EQUITY, AND INCLUSION (DEI) STATEMENT**

JUF is committed to cultivating and advancing a culture of equity, diversity, and inclusivity in accordance with our Jewish values and JUF's mission to amplify our collective strength. We welcome and celebrate the multiplicity of identities of JUF staff, our lay partners and the people we serve, as we affirm, respect and value every person's individual perspective, experience, and attributes. We understand this is an active process requiring our consistent and continuous commitment.
