

Jewish United Fund of Metropolitan Chicago 2024 Merit Israel Experience Scholarship

A limited number of merit scholarships (\$1,000 each) are available for Chicago-area high school students, college students, and young adults up to age 23 who are planning to participate in approved Israel programs. The goals of the program are to develop increased Jewish identity and greater commitment to Israel and the Chicago Jewish community.

ELIGIBILITY REQUIREMENTS:

- Demonstrate evidence of leadership, range of community service and involvement (either Jewish or secular or both), and the potential impact of your Israel experience
- Be at least a sophomore in high school up to age 23 when you apply
- Live or attend school in metropolitan Chicago
- Participation in Jewish communal activities after returning from Israel is *strongly encouraged*
- Previous merit scholarship winners are *not* eligible to reapply. However, previous applicants who did not receive a merit scholarship may apply again.

ADDITIONAL INFORMATION:

1. You will find the instructions for the merit scholarship program on the next page. **PLEASE BE SURE TO READ THE INSTRUCTIONS CAREFULLY.**
2. You may seek additional funding from your Israel program, your congregation, JUF's financial need scholarship program, other JUF Israel experience savings programs, and other sources which may be available to you.
3. Before you are eligible to apply for a merit scholarship, you must apply to an approved Israel program, which does not begin until after the application deadline. **You can, however, apply for a merit scholarship before you have been ACCEPTED to your Israel program.**
4. The Scholarship Committee of the Jewish United Fund will make the final decisions on the awarding of merit scholarships. Remember that this is only an application and that no guarantee or promise of receiving a merit scholarship can be made until the Scholarship Committee reaches its decisions.
5. You will be notified of the Scholarship Committee's decision on your merit scholarship request via email. No information on scholarship awards will be given by phone.
6. The balance of fees due to the program is your and your family's personal responsibility. If you fail to complete the program, you and your family will have to repay any JUF scholarship award to the Jewish United Fund of Metropolitan Chicago.
7. We ask that you provide any other information that you think would be helpful to us in making our evaluation of your application. Remember, however, this scholarship is not based on financial need.
