

MINI MENSCHES

HAPPY PURIM!

We love Purim! The costumes, the noisemakers, the hamantaschen! And the great story about brave Queen Esther saving her people. We think everyone would love this holiday!

MAKE IT!

1. Cut out these pictures from the Purim story. You can add capes with paper or cloth, hair or beards with yarn, or even googly eyes!
2. Glue or tape the characters to popsicle sticks, pencils, or the fingers of an old glove.
3. Hide behind a table or couch, and put your puppets over the top. Tell your audience—it's time for the Purim shpiel!

"Purim shpiel" is a fun word to say! It means "a play about the Purim story," which is fun to do! **You can put on your own Purim shpiel by making your own puppets!**
