HAPPY HELPING!

Do you know what "volunteering" means?
It means giving your time to make a difference.
Volunteering gives you a warm feeling inside!
And it makes the world a better place.
How did you help someone today?

FILL WHAT'S EMPTY

When someone needs something, it is like an empty space in their lives that you might be able to help fill. What things can you give to people who need them? Maybe things you are done using?

To see what foods and toiletries are needed, visit:

The ARK: arkchicago.org

EZRA Multi-Service Center: juf.org/ezra

Draw lines to fill these empty boxes with the right things, to get people what they need:
